

## **Emergency Medicine Physician Assistant Residency Program**

# **Accreditation Review Commission on Education for the Physician Assistant (ARC-PA) Accreditation Status**

The ARC-PA has granted Accreditation-Clinical Postgraduate Program status to the University of Iowa Emergency Medicine Physician Assistant Residency Program sponsored by University of Iowa Hospitals and Clinics.

Accreditation-Clinical Postgraduate Program is the status of accreditation granted when a new or currently accredited clinical postgraduate program is in compliance with the Standards for Clinical Postgraduate Programs. Accreditation-clinical postgraduate program remains in effect until the program closes or withdraws from the accreditation process or until accreditation is withdrawn for failure to comply with the Standards, ARC-PA requirements or procedures.

Accreditation-Clinical Postgraduate Program does not ensure any subsequent accreditation status. It is limited to no more than five years from matriculation of the first class.

The program's accreditation history can be viewed on the ARC-PA website at
